Please mail this form with \$20 registration fee to: TRD Softball 80 Stone Meadow Ct. Fairfield, OH 45014

Email electronic application to: steve@nuxhallmiracleleague.org

2021 TRD Adult Softball Fact Sheet

For the safety of our players and volunteers, we have instituted numerous changes to our league this year. Please read the following guidelines and be sure you understand them. You will be required to check a box on the player application stating that you have read these guidelines, understand them and will comply with them.

- There will not be an instructional league in 2021. There will only be a competitive league. The registration fee remains \$20.
- In an effort to allow for proper social distancing and minimize spread and exposure:
 - All games will be played on Friday evenings.
 - There will be two competitive leagues each set up based on session start time. On the application, please provide your first and second choice for time slot. We will do our very best to accommodate as many requests as we can, but we have a limited number of slots available for each session and these slots will be filled on a first-come, first-served basis.
 - 6:00 pm – all games played at this time
 - 7:30 pm – all games played at this time
 - Session games will run for one hour. This will allow for a ½ hr break between games so 6pm league participants can leave the premises allowing for us to properly disinfect equipment and facilities before the 7:30pm league begins.
 - Players and spectators will be asked to remain in their vehicles until their league's start time and exit the facility as soon as the game is completed.
 - Spectators must socially distance and are encouraged to bring their own seating as normal facility seating may not be available. Wearing masks will be required on the premises for everyone regardless if you have been vaccinated or not until further notice.
 - There will be no operation of concessions.
 - Currently, there is no plan for an end of season picnic. This may change depending on the constantly changing environment around the epidemic. If this changes, it will be communicated.
 - **IMPORTANT!** In the interest of social distancing, volunteers will not be able to assist players who may need help participating. ***Prior to signing up to play, it should be known that any player needing assistance to safely participate MUST be accompanied by a parent, guardian or other designated caregiver. Failure to comply with this rule will result in the player being asked to leave the league for their own safety.*** Refunds will not be given in these instances.
- Each league session will be comprised of 4 teams, each currently capped at 10 players for a total of 40 players for each league session. When league capacity is reached, additional players will be wait-listed.
 - Many coaches will be managing two teams this year, one in the 6pm slot and one in the 7:30pm slot.
 - The season will consist of 9 regular season games beginning on Friday, June 4th and ending on Friday, July 30th. If there are rainouts, games will not be made up.
 - There will be a championship game held on Friday, August 6th between the team with the best record from each league. Time of this game will be determined at a later date.
- Registration is open! Registrations may be mailed or emailed to the addresses at the bottom of the application. **The deadline for registration is scheduled for Friday, April 23rd.** Late registrations will not be accepted. Walkup registrations will be at the Miracle League Fields 4850 Groh Ln Fairfield, OH
 - March 26th 6 to 7:30pm
 - April 2nd 6 to 7:30pm
 - April 23rd 6 to 8pm
